## B. Submitting Comments

Please include Docket ID NRC-2018-0030 in the subject line of your comment submission in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## **II. Background**

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Application for NRC Export or Import License, Amendment, Renewal, or Consent Request(s)

2. *OMB approval number:* OMB Approval Number 3150-0027

3. *Type of submission:* Extension

4. *The form number, if applicable:* NRC Form 7

5. *How often the collection is required or requested:* On occasion for each separate export, import, amendment, renewal, consent request, or exemption from a licensing requirement.

6. *Who will be required or asked to respond:* Any person in the United States who wishes to (a) export or import nuclear material and equipment subject to the requirements of a specific license; (b) amend a license; (c) renew a license; (d) obtain consent to export Category 1 quantities of materials listed in appendix P to title 10 of the *Code of Federal Regulations* (10 CFR) part 110; or (5) request an exemption from a licensing requirement under part 110.

7. *The estimated number of annual responses:* 85

8. *The estimated number of annual respondents:* 85

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 204

10. *Abstract:* Persons in the United States wishing to export or import nuclear material or equipment who are required to obtain a specific license, amendment, license renewal; obtain consent to export Category 1 quantities of byproduct material listed in appendix P to 10 CFR part 110; or request an exemption from a licensing requirement under part 110. The NRC Form 7 will be reviewed by NRC staff and the Executive Branch and, if applicable statutory, regulatory, and policy considerations are satisfied, the NRC will issue an export, import, amendment, or renewal license.

### **III. Specific Requests for Comments**

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 20<sup>th</sup> day of April, 2018.

For the Nuclear Regulatory Commission.

David Cullison,  
NRC Clearance Officer,  
Office of the Chief Information Officer.
